

2009 TAHOE. LIVE BETTER.

For people who need outstanding efficiency and full-size SUV capability, only Tahoe will do. The 2009 Tahoe XFE offers an EPA estimated MPG 15 city, 21 highway — better fuel economy than any of its competitors! Powerful Vortec engines and the available Z71 Off-Road Package on 2LT models give you the ability to handle daily challenges or leave paved roads behind. Five-star frontal and side-impact crash test ratings² and standard head-curtain side-impact air bags³ for all rows help keep you safe on the road.

AVAILABLE EXTERIOR COLORS

¹ Based on 2008 GM Large Utility segment and latest available competitive information. Excludes other GM vehicles. ² Side-impact crash test rating is for a model tested with standard head-curtain side-impact air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). ³ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ⁴ E85 is a combination of 85% ethanol and 15% gasoline. Go to chevy.com/biofuels to see if there is an E85 fuel station near you. ⁵ Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. ⁶ Requires available Heavy-Duty Trailering Package. Maximum trailer ratings are calculated assuming standard equipped vehicle, driver and required trailering equipment. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ⁷ Gross Vehicle Weight Rating (GVWR). When properly equipped, includes weight of vehicle, driver, passengers, cargo and optional equipment. ⁸ Not available with Z71 Off-Road Package. ⁹ Requires available Luxury Package. ¹⁰ Requires available Convenience Package. ¹¹ Requires 3.42 rear axle ratio. ¹² Standard on 4x4. Requires available Vortec 5.3L V8 FlexFuel engine on 2WD. ¹³ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for details and system limitations. ¹⁴ Not available in certain areas. Visit onstar.com for coverage maps. ¹⁵ Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ¹⁶ Requires available Bose sound system on 1LT and 2LT. Requires available tri-zone automatic climate controls on 1LT. ¹⁷ Not available with Sun, Entertainment and Destinations Package. ¹⁸ Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ¹⁹ Includes DVD capability when available rear-seat entertainment system is ordered. ²⁰ Requires available Bose sound system, auto-dimming inside rearview mirror and rearview camera system. ²¹ Requires available rearview camera system. Not available with navigation radio. ²² XM Radio requires a subscription, sold separately after the first 90 days. Not available in Alaska or Hawaii. For more information, visit gm.xmradio.com. ²³ Requires available navigation radio. Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic only available in select markets. All fees and programming subject to change. Subscriptions subject to customer agreement available at gm.xmradio.com. XM service only available in the 48 contiguous United States. ²⁴ Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. ²⁵ Some accessories may not be available on all models. See dealer for details. ²⁶ Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to gmaccessorieszone.com or see your dealer for details. ²⁷ Must be used with portable DVD docking station (sold separately) when operated in vehicle. ²⁸ Not available on LTZ. ²⁹ Not available on Z71. ³⁰ Only available on LTZ.

2009 TAHOE HYBRID. LIVE BETTER.

Meet the two-mode Tahoe Hybrid (at participating dealers only), the first full-size hybrid SUV in America. Tahoe Hybrid delivers the power and capability you expect from a Chevy SUV in a vehicle that's doing its part to reduce our dependence on gasoline. In fact, 2WD models offer the same city fuel efficiency as a standard four-cylinder Toyota Camry¹ and offer an EPA estimated MPG 21 city, 22 highway.

¹ EPA estimated MPG 21 city. ² Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. ³ Maximum trailer ratings are calculated assuming standard equipped vehicle, driver and required trailer equipment. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ⁴ Gross Vehicle Weight Rating (GVWR). When properly equipped, includes weight of vehicle, driver, passengers, cargo and optional equipment. ⁵ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ⁶ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for details and system limitations. ⁷ Not available in certain areas. Visit onstar.com for coverage maps. ⁸ Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ⁹ Requires available navigation radio with CD/MP3/DVD player. ¹⁰ Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ¹¹ Includes DVD capability when available rear-seat entertainment system is ordered. ¹² XM Radio requires a subscription, sold separately after the first 90 days. Not available in Alaska or Hawaii. For more information, visit gm.xmradio.com. ¹³ Required XM Radio and XM NavTraffic monthly subscriptions sold separately after trial period. XM NavTraffic only available in select markets. All fees and programming subject to change. Subscriptions subject to customer agreement available at gm.xmradio.com. XM service only available in the 48 contiguous United States. ¹⁴ There is no jack or spare tire and no place to store a tire in the 2009 Chevrolet Tahoe Hybrid. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.
